

ENTREPRENEURSHIP AND TECH-BASED BUSINESS DEVELOPMENT

Course code	<i>MNG264</i>
Course title	<i>Entrepreneurship and Tech-based Business Development</i>
Course type	<i>Compulsory</i>
Year of study	<i>III</i>
Semester	<i>Autumn</i>
ECTS	<i>6 ECTS; 24 hours of lectures, 24 hours of seminars, 112 hours of individual work.</i>
Coordinating lecturer	<i>Dr. Eigirdas Žemaitis</i>
Study form	
Course prerequisites	<i>None</i>
Language of instruction	<i>English</i>

Course description

The course introduces key concept related to the topic of entrepreneurship starting with the goals and context of entrepreneurship and how it fits with innovation all the way to creating new ventures, exploiting knowledge and intellectual property and thus generating and capturing new value. The material is explicitly linked to the place of technologies and societal challenges for entrepreneurship. The course is based on numerous practical real-life cases, examples and managerial tools.

Group project presentation	20
Workshop assignments	20
<i>Individual Components 60%</i>	
Midterm	30
Final exam	30
Total:	100

Course requirements:

DESCRIPTION AND GRADING CRITERIA OF EACH ASSIGNMENT

(Provide short descriptions and grading criteria of each assignment)

1. The final exam will account for 30% of the final grade. The final exam will include topics after Midterm (6-12). All the materials that were covered during the lectures and seminars are relevant for the final exam. The lecturer reserves the right to choose the form of the exam (multiple choice/ open answer questions/ essay).
2. The mid-term (30%) will include the topics before session 6. All the materials that were covered during the lectures and seminars are relevant for the mid-term exam (including the articles presented by students).
3. Students will prepare group project, which final presentation will be evaluated 20 %
4. Students will receive assignments during the workshops and cumulative grade of all assignments will be 20 %. Details of the assignments will be provided during the lectures.

RETAKE POLICY

If final (cumulative) mark of the course, including final exam score, is insufficient, students will be allowed to exercise their right of retake. The retake exam will cover all lectures and case-discussion topics discussed in class during the course. It will replace the 60 % of exams (mid-term and final). Group work cannot be resubmitted later. The lecturer reserves the right to choose the form of the exam (multiple choice/ open answer questions/ essay)
